# A HIGHER LEVEL OF CARE

**Nacomi Next Level** goes beyond standard skincare to answer any consumer's needs regardless of their age or skin problems they are struggling with. It is created by our team of experts who use latest scientific data to offer treatments for any skin issues.

We let everyone's natural beauty shine without resorting to cosmetic surgeries or invasive procedures. Carefully selected concentrations of active ingredients, tailor-made to every skin type allow to perform a professional skincare routine safely at home.

# **FACE ACID SERUM**

# light it up Vitamin C 15%

## Actives:

- Ascorbic acid 10%
- Sodium ascorbyl phosphate 3%
- Ascorbyl glucoside 2%

Concentrated face serum composed of 3 forms of vitamin C reduces wrinkles, evens out skin tone and restores glowing look to tired and dull skin. Formula helps fighting acne, strengthens blood vessels and stimulates collagen synthesis.

Vitamin C, as a strong antioxidant, reduces free radicals and slows down the aging process. Face booster enriched with rosehip oil and almond oil additionally firms and smoothes the skin, brightening persistent discolorations.

## RECOMMENDED FOR

problematic skin with discolorations and first signs of aging

## DO NOT COMBINE WITH

products containing retinol and AHA, BHA, PHA

## APPLICATION

day and/or night before face cream and/or oils

## SKIN EFFECT

## IRRITATIONS

PROTECTION  
NEEDED

# advance glow Skin Color Correcting Serum

## Actives:

- 3-O-Ethyl Ascorbic Acid 15%
- Lipochroman™ Molecule
- Ferulic acid

The ultra-high stability form of vitamin C present in the serum stimulates collagen synthesis, reduces discoloration and evens out the skin tone. When combined with Lipochroman™ Molecule, ferulic acid, a vegan alternative to snail slime and vitamin E, it protects cells from damage caused by oxidative stress to slow down the skin aging process.

The serum enriched with a prebiotic helps to strengthen the skin protective barrier, rebuilds its natural bacterial microflora and gives the skin a radiant glow.

## RECOMMENDED FOR

skin with hyperpigmentation issues, aging skin, skin demand-ing lipid barrier replenishment

## DO NOT COMBINE WITH

products containing retinol and AHA, BHA, PHA

## APPLICATION

day and/or night before face cream and/or oils

## SKIN EFFECT

PROTECTION  
NEEDED

# second Ceramides 5% skin

## Actives:

- SK-INFLUX® V MB 5%
- Relipidium™ 2%
- Dermaxyl™ 3%

Ceramide serum, enriched with peptides and natural active ingredients, revitalizes the skin and stimulates restoration of its hydrolipid barrier. Meanwhile, it soothes inflammations, moisturizes, provides anti-aging action and restores the natural balance of your skin.

Inca inchi oil and passiflora oil along with glycerine nourish and regenerate skin. Serum assures protective layer for skin and secures it from environmental factors. It also provides soothing action to irritated skin.

**RECOMMENDED FOR**  
sensitive and dry skin  
with signs of aging, skin  
requiring regeneration

**DO NOT COMBINE WITH**  
no restrictions

**APPLICATION**  
day and/or night  
before face

## SKIN EFFECT

## IRRITATIONS

# lift it up Peptides 10%

## Actives:

- Matrixyl™ 3000 4%
- Progeline™ 3%
- Matrixyl® Morphomics™ 3%

Contains 10% of triple formula of the most effective anti-wrinkle ingredients. Matrixyl® Morphomics™ reduces visibility of mimic wrinkles on forehead by 20% in 6 weeks.

Matrixyl™ 3000 reduces crows feet by 23% in 2 months. Progeline™ lifts up jaw line, modelling the contour of your face. Lift It Up serum will let you preserve youthful look for longer.

## RECOMMENDED FOR

first signs of aging,  
limp skin

## DO NOT COMBINE WITH

# stunning skin Mandelic acid + PHA 10%

## Actives:

- Coconut water
- Lactobiotic acid
- Mandelic acid

Enzyme scrub serum with 10% complex of mandelic acid with PHA acids gently exfoliates the stratum corneum, stimulates its restoring and evens out the skin tone.

Combination of mandelic acid with lactobionic acid and gluconolactone reduces discolorations, prevents photo aging and improves skin texture. Along with almond milk extract and coconut water it provides smoothing action and as a result - soft, bright and supple skin.

## RECOMMENDED FOR

gentle skin with discolorations, skin requiring regeneration

## DO NOT COMBINE WITH

products containing retinol

# forever young Telomere therapy + peptides serum

## Actives:

- Argireline® Amplified 5%
- Lapagyl™ 2%

Rejuvenating face serum. It offers an intense anti-aging treatment. The advanced botanical ingredient Lapagyl™ prevents telomere shortening, thus helping to effectively slow down the aging process of the skin and maintain its youthful appearance. The formula with Argireline® Amplified hexapeptide works on all skin layers, reducing the visibility of expression lines and age-related changes.

What's the effect? Skin looking 5 years younger in just 5 days! Thanks to babassu oil, avocado oil and vitamin E, the serum softens, nourishes and smoothens the skin. Trehalose, glycerin and a combination of 4 forms of hyaluronic acid ensure an adequate level of skin hydration.

**RECOMMENDED FOR**  
skin with signs of aging

# Bakuchiol

## Actives:

- Bakuchiol 2%
- Vitamin E 2%
- Marula oil 2%

Revolutionary serum with 2% bakuchiol gently and gradually exfoliates the epidermis, helping it to restore. Bakuchiol is considered as vegan alternative for retinol, it does not cause skin irritations.

Thanks to anti-aging properties it reduces wrinkles and increases quantity of fibroblasts, responsible for collagen and elastine production and also brightens the discolorations. Serum enriched with marula oil, sweet almond oil, flower oils extract and vitamin E firms and smoothes the skin assuring its healthy look.

## RECOMMENDED FOR

# Retinol + Bakuchiol

youth essence

## Actives:

- Retinol 0,35%
- Bakuchiol 1 %
- Trehalose 3%

Anti-aging face serum with the optimal concentration of retinol. Ideal for maintaining the effect of retinol treatment. Excellent for sensitive skin and skin prone to irritation caused by higher concentration of retinol. Perfect opening to retinol treatment for those who only start to develop tolerance to retinol. Reduces wrinkles and improves skin suppleness.

Thanks to the content of trehalose, the serum retains the right skin hydration level, improves skin elasticity and smoothens fine lines. Bakuchiol boosts the anti-aging effect of the serum increasing the number of fibroblasts responsible for collagen and elastin formation.

## RECOMMENDED FOR

acne-prone, limp skin

A thick, white, textured smear of cream is applied diagonally across the upper half of the image. The cream has a glossy, slightly uneven surface with visible ridges and valleys, suggesting it was spread with a finger or brush. The background is a solid, light pink color.

**SPF 50  
DAY CREAM**

# SPF 50 PA++++ basic

## Actives:

- Olive Oil
- Passiflora Oil
- Neossance® Hemisqualane

High photostability waterproof SPF 50 Day Cream resistant to wiping off. It assures ideal skin hydration level and effective sun protection.

4 types of hyaluronic acid present in the formula, make it an excellent moisturizer for use under makeup. Extra ingredients such as olive oil, hemisqualane, passion fruit oil and green tea (matcha) extract nourish the skin and have a strong antioxidant effect to slow down skin aging process.

MOISTURIZING  
MAKE UP BASE

# SPF 50 PA++++ city

## Actives:

- Phytessence™ peach extract
- Matcha tea extract
- Lingostem™

Extremely lightweight, waterproof, high photostability SPF 50 Day Cream resistant to wiping off. Its advanced formula protects the skin from infrared and UV radiation, destructive effect of pollution and blue light from mobile devices and computer screens.

Thanks to a combination of ingredients such as lingonberry extract, peach laves extract, olive oil, hyaluronic acid, hemisqualane, passion fruit oil and green tea (matcha) extract, the cream has antioxidant effect, it moisturizes the skin, improves microcirculation and reduces the absorption of toxins from urban environment.

PROTECTION  
AGAINST BLUE  
& RED LIGHT

# SPF 50 PA++++ holiday

## Actives:

- Hyaluronic acid
- Matcha tea extract
- Venuceane™ Sp

This moisturizing, waterproof, high photostability SPF 50 Day Cream resistant to wiping off protects the skin from the harmful effect of UV radiation.

When exposed to sunlight, the VENUCEANE™SP complex present in the formula, regenerates cells damaged by radiation to reverse the skin aging process. Thanks to ingredients such as hyaluronic acid, olive oil, hemisqualane, passion fruit oil and green tea (matcha) extract, the cream moisturizes the skin and has an antioxidant and anti-aging effect.

REVERSES  
THE SKIN AGING  
PROCESS

**FACE MASKS**

# no more pores Mask Against Blackheads

## Actives:

- Black clay
- Salicylic acid 2%

Salicylic acid combined with black clay unblocks and contracts pores, removes dead cells from the skin surface and reduces excessive sebum secretion, thus preventing the formation of pimples.

FLAWLESS AND  
PURIFIED SKIN

or let it absorb completely

Enjoy a moisturized skin

**EYE SERUM**

# bye puffy eye!

## Lifting eye serum

### Actives:

- Cobiolift 3%
- Dermaxyl™ 3%
- Beautifeye® 3%

The serum improves the condition of the delicate skin around the eyes, providing it a fresh and youthful look.

The BEAUTIFEYE® complex prevents the formation of dark circles and bags under the eyes, lifts drooping eyelids and strengthens the eye contour. The active ingredient COBIOLIFT creates a biological film on the surface of the skin, which tightens, firms and smoothes its structure. The DERMAXYL™ complex in combination with the composition of natural oils deeply nourishes and regenerates the skin, stimulating the reconstruction of the hydrolipid barrier.

**RECOMMENDED FOR**  
drooping eyelids, thin  
and delicate under eye  
skin requiring nutrition

**DO NOT COMBINE WITH**  
no restrictions

# Spray acid neutralizer

## Actives:

- Rose water
- Birch water

The spray soothes and neutralizes the intense action of acids, reducing skin redness and burning sensation. It helps to perform acid treatment safely.

Thanks to the content of aloe juice and panthenol, it perfectly tones and soothes irritations, adding radiance to tired and dull skin. Rose water deeply cleanses, nourishes and regenerates the skin. Birch water brightens discolorations and helps fighting puffiness. Trehalose moisturizes the skin and reduces free radicals, thus preventing skin aging.

# FACE TONERS

# Milky face toner

## Actives:

- Almond milk 3%
- Trehalose 3%
- Hyaluronic acid

Moisturizing face toner enriched with almond milk and oat extract, the toner perfectly tones the skin, restores its natural pH and has a calming effect. It reduces skin irritation, restores the balance and improves its elasticity.

Almond milk regenerates dry skin, leaving it nourished and relaxed. Combined with trehalose and hyaluronic acid, it intensively moisturizes the skin, softens and evens out its color. Oat extract provides relieving and soothing effect and makes the skin moisturized and silky smooth.
